

WYOMING ARCHAEOLOGY AWARENESS MONTH

2021 WYOMING ARCHAEOLOGY WEAR

The 2021 Wyoming archaeology wear design features elements from two rock art sites in southwestern Wyoming. The t-shirt imagery has a horse and rider petroglyph from the White Mountain Petroglyph site, north of Rock Springs. This image is exemplary of the Plains Biographic style. The hat has a petroglyph from the South Piney site consisting of a grizzly bear with exaggerated claws.
